## *"Buckle Down in the Bridge City"*

CCYA National Board – Sarah Weinbender, Secretary, Canora, SK; Kirstin Sparrow, Treasurer, Vanscoy, SK; Luke Marshall, Vice President, Inisfail, AB; Autumn Jackson, Inglis, MB; Michael Hunter, Roblin, MB; Travis Jozwiak, Calgary, AB; missing Candace Alexander, Cargill, ON; Michael Hogg, Roseneath, ON

The highlight of many youth's summer was held in Saskatoon, Saskatchewan, when the Canadian Charolais Youth met for their annual Conference and Show. It was a great week with great facilities, food and friendship.

The youth hosts for the week were Brandon Sparrow, President, Vanscoy; Kirstin Sparrow, Secretary, Vanscoy; Katie MacMillan, Treasurer, Asquith; Sarah Weinbender, Vice-President, Canora. It takes many people to make this event happen and three families pitched in to help, the Evans family, Mark Oram family and Cam Sparrow family. Special mention needs to go to four people that really made the kids planning go into action: Patti Sparrow, Deb Oram, Paula Evans and Darwin Rosso.

The week started with a new event, an educational quiz on the Charolais industry developed and administered by Kerrie Sparrow. The general consensus among the youth was that it was difficult, but many expressed a need to pay more attention at their 4-H meetings.

The first day ended with the famous National Board Mixer. Designed and orchestrated by

Autumn Jackson and Kirstin Sparrow, it set the tone for a week of fun and friendship. The mixture of shaving cream, pancake syrup, ice cream, raw eggs, and of course lots of water made the evening fly. The youth all participated with an eagerness that forced provincial and age barriers to be broken. It is a messy evening that serves the necessary purpose of getting everyone together with no pretense or competition, just an adventurous spirit to try things you would never do at home. The outcome was successful as always. By the end of the evening all shyness was gone and everyone knew they were accepted and part of the group.

Day 2 is always a big day, with Heifer, Steer and Hay judging in the morning and Team Marketing and Team Judging in the afternoon.

The number of participants were down this year, but the enthusiasm made up for it. Not having enough bull calves to offer bull judging did not create a problem for this host committee. They saw it as an opportunity to do something new. Two professors from the University of Saskatchewan came and talked to

the youth about the finer qualities of hay. The third judging competition was a change and a challenge for the youth that provided an education not experienced in other years.

The day ended with the Keep and Cull judging hosted at Norheim Charolais. Lee Norheim judged the event and Lesley and Lacey, assisted by friends, saw that everyone was fed well. It was a wonderful, relaxed evening with terrific weather.

Day 3 was full with Showmanship in the morning and Team Grooming and Individual Marketing in the afternoon. Supper was served at Floral hall by the T Bar C crew and was co-sponsored by Harder Farms. The youth enjoyed beachball slow pitch, can toss and football, but the entire crowd really enjoyed the whipped cream pie auction where six members of the national board were treated with a pie-in-the-eye to raise funds. There was one final surprise pie auction, where one of the barn bosses, Morley Sparrow was pied by Keenan Elder. This is just another example of youth conference being a place where the participants, younger siblings and adults, participate in the fun and friendship of the event.

Day 4 was another big day with Team Grooming finals, the show and the awards banquet and dance. It is amazing the youth find the time to do all of the chores around all of the activities, but that is just another part of the education – the work has to get done. All of the chores, grooming and showing happen without parent participation. The youth take ownership of the responsibilities and the older ones look after the younger ones.

Six CCYA participants received 2nd Generation Awards. Kord and Peri Phillips, children of Kasey Phillips, Waskatenau, AB; Cassidy and Katie Serhienko, daughters of Lissa Serhienko, Maymont; and Raelynne and Haley Rosso, daughters of Kevin Rosso, Moose Jaw. This award is presented when a parent was a CCYA Conference and/or Show participant

and has continued to be an active member in the Canadian Charolais Association and their son/daughter is a CCYA member and participant in a Conference and Show.

At the awards banquet, Darwin Rosso, Moose Jaw, was presented with the 2011 Honouree award. Darwin has been a constant support for the CCYA for many years. As the Saskatchewan adult advisor, he has attended almost all of their meetings for a number of years, often being the only advisor there. He has also been barn boss for three Saskatchewan conferences. The CCYA and SCYA have been fortunate to have his continued experience add continuity and support to their organizations.

The evening closed with an emotional thank you from the organizing president, Brandon Sparrow. He expressed the sentiments many participants feel when they realize it is their last year to participate in this event. There is a sadness that CCYA will no longer be a part of their summer planning and an acknowledgement of gratitude for all the organization has done for them.

Russell Galleli issued an invitation to attend CCYA 2012 in Alberta. The dates have changed as they are teaming up with "Summer Synergy" to allow members to qualify for more scholarships. It will be July 9 - 13 at the Caluori Pavilion, in Olds. Start planning now to attend. If you have never been to this event, you don't know what you are missing.
