## "Rocky Mountain Memories"

CCYA National Board – (back l-r) Michael Hunter, Roblin, MB; Holly Smith, Markdale, ON; Courtney Black, Foresters Falls, ON; Travis Jozwiak, Calgary, AB; Brandon Sparrow, CCYA Youth Co-ordinator, Vanscoy, SK; (front l-r) Sarah Weinbender, Treasurer, Canora, SK; Luke Marshall, Vice-President, Innisfail, SK; Tomina Jackson, Secretary, Inglis, SK. missing Kirstin Sparrow, President, Vanscoy, SK

The Annual Canadian Charolais Youth Conference and Show was held in Olds, Alberta, this year and was sure to follow its theme by making "Rocky Mountain Memories".

The weather was great, everyone was fed well and new friendships were made. This conference saw some new participants that left talking about attending next year's conference in Shelburne, Ontario. This is always a good sign and a reason to commend the organizing committee and their many volunteers.

This year the date was changed to coincide with the Summer Synergy competition held in conjunction with the Calgary Stampede. Although it may have been the reason some regulars missed the event, it also added great opportunities for some youth who would not travel to Alberta twice to take advantage of the event. Scholarships were awarded to six CCYA members and three members won divisions.

When the week was over, the consensus was positive as it cut the conference costs while adding benefits. Who can argue with that?

The week started with a

presentation by Jennifer Woods, of Blackie on cattle handling. Jennifer studied under Temple Grandin and her presentation offered something for each of the wide variance in ages of the youth. She even had parents pulling up to listen as her knowledge was appreciated and respected.

The opening mixer, a highlight for many of the participants, was once again messy, wet and filled with enthusiasm. The barrier breaker puts all of the kids on even ground to start the week and gets them focused on fun and friendship. For newcomers, it immediately makes them feel like part of the group.

The number of participants was down a bit this year, but the enthusiasm wasn't. It made the event less pressured time wise as there was ample time for the individual events. Larger numbers can really put pressure on

the organizers and judges.

HEJ Charolais, Henrik and Jeralyn Rasmussen, Innisfail, hosted the Keep and Cull event at their farm. The Rasmussens have been supporters of CCYA for many years and Jeralyn is a past CCYA Honouree recipient.

McLeod Livestock, Rod and April McLeod sponsored the steaks that were enjoyed by all. The evening ended with a water fight, that always seems to erupt when you get a hot summer day and a bunch of kids together. The fun just doesn't stop.

Two past CCYA Alumni served as Barn Bosses for the event. Ben Farrant and Marina Rasmussen did a great job keeping things going and having cattle ready for each competition. It is often a thankless but oh so necessary task and their efforts and dedication to the program need to be commended.

At the banquet, Luke Marshall, CCYA National Board member presented Leisa Gallelli with the CCYA Honouree Award for the year. Leisa has supported her sons' participation in the event for years and took on the onerous task of heading the event this year. Thanks for a job well done.

The National Board was faced with the difficult task of replacing their Co-ordinator this year as Katrina Coughlin gave them notice of her

resignation. Katrina has served the National Board as a participant and became co-ordinator quite a few years ago. She has done a terrific job and assisted the group in carrying out their many programs. Katrina is studying to become a lawyer and will begin her articling soon, making continuing in the Co-ordinator capacity too much. Thanks Katrina for a great job, you have contributed to the success of the organization.

Brandon Sparrow has been appointed as the new co-ordinator and is anxious to continue working with the CCYA National Board. Brandon is a Past President of the organization and has a great understanding of the needs and requirements of the position. He is so interested in CCYA, he even showed up at the Conference this year to observe. Someone who misses the program and is prepared to travel to watch, when not participating, certainly shows dedication to the movement and will do a great job.

Next year's conference is in Shelburne, Ontario, July 17-20. Start planning now, I'm sure it will be a great event.

Leisa Gallelli was presented the CCYA Honouree award by Luke Marshall
