

Purchase Incentive Program

Applicants who meet the Program rules will be able to select 2 straws of semen from the Semex and Genex list. Upon notification of the selection, the National Board will have 2 straws of semen released in the youth member's name, with the youth to then arrange delivery to their farm.

Program Rules:

- Applicant must have a current CCYA or Junior CCA membership.
- Applicant may buy a female at an auction sale or private purchase, however a bill of sale must be provided to be eligible for the program.
- Female purchased may be a registered Charolais or visible Charolais-cross female.
- One female per year per applicant.
