Applicants must fill out the application form and submit a write up which includes the following:

- Your involvement in the cattle industry, specifically with the Charolais breed
- Where you wish to travel and what event you will be attending
- What you hope to gain from the trip
- A detailed summary of your travel plans and itinerary
- An estimate of your expenses for the trip
- 

Travel Opportunities include:

- American International Junior Charolais Association (AIJCA)
- Australian National Youth Stampede
- Canadian Beef Industry Conference (CBIC)
- Any other cattle industry or Charolais breed conference/event that would be beneficial as an upcoming member in the breed

**\*\*\*PLEASE NOTE: The travel scholarship does not include funding to attend the CCYA Conference and Show.**

Upon submission of the application form and write up of the travel opportunity and event you wish to take part of, the application will be reviewed by a committee who will determine how much funding successful applicants will receive to go towards their stated travel plans.
