

## Genetics Program 2020

### Rules and Regulation:

1. The youth members are eligible to apply for semen for one female only each year. This nomination form is due back no later than February 15, 2020.
2. When nominating a female the youth member will select **three** bulls in their order of preference.
3. It is the youth members' responsibility to make arrangements for semen delivery and to cover any delivery expenses.
4. Youth members nominating females for the CCYA Genetics Program **MUST** be current youth member when the female is nominated, and must also be a current member when the semen is utilized.
5. The youth member will receive two units of semen for the bull they have chosen.
6. Member will be contacted informing them of their success by March 1st, 2020.
7. Members must claim their semen by July 1, 2020.

**All sections of the form must be filled out completely and correctly or the application will be considered void. All semen selections as designated by the National Board are considered final.**

Please fill out this application and email to Reegan McLeod:

reeganmc11@gmail.com

**All applications are open to Charolais Bulls on the Semex, Genex and Select Sires websites. Refer to our website at [youth.charolais.com](http://youth.charolais.com) for more information.**

In order to ensure that each youth member applying for semen receives a bull of their choice we ask that you select the bulls you would like semen from in the following

manner:

- You select your bulls in order of preference.
- You may select a maximum of **three** bulls total.
- Bulls can be chosen from Semex, Genex and Select Sires websites.
